In consideration of gaining membership or being allowed to participate in the activities and programs of the Club and to use its facilities, equipment, and machinery in addition to the payment of any fee or charge, as representative of all parties associated with this membership account, I do hereby waive, release, and forever discharge the Tiburon Peninsula Club and its officers, agents, employees, representatives, executors, and all others from any and all responsibilities or liability for injuries or damages resulting from my participation in any activities or my use of equipment or machinery in the above-mentioned facilities or arising out of my participation in any activities at said facility. I also hereby release all of those mentioned and any others acting upon their behalf from any responsibility or liability for any injury or damage to myself and persons indicated on this application for membership, including those caused by the negligent act or omission of any of those mentioned or others acting on their behalf or in any way arising out of or connected with participation of myself, family, extended family, guests, and/or employees covered in this membership in any activities or the use of any equipment at the Club.

Billing

The Club's Business procedures are such that you are billed monthly in advance for dues; charges DURING THE PREVIOUS MONTH are included in the statement. All accounts are due and payable on receipt. **A late fee of \$25.00 is charged to any payments received after Noon on the final business day of the month and if not paid in full.**

Locker Rental

Subject to availability, lockers in the dressing rooms may be rented through Member Services on a monthly basis. Current rental prices \$35/mo. Rentals are re-occurring until the Business Department is provided written notice of cancellation. Forms for rental and cancellation are available at Member Services.

Change of Mailing and E-Mail Address

Please inform the Business Office in writing of any change of address for either billing or other mailings from the Club or a change in email address. Form available at Member Services or an email may be sent to tpc@tiburonpc.org.

Change in Membership Status

A full calendar month's notice is required, in writing, if you request any change to your membership or resignation from the Club. Such notice should be addressed to TPC Membership Services Department, and where applicable, must be authorized by both the primary and secondary parties on the account. The membership account must be paid in full for account to be terminated or put on Leave of Absence.

Leave of Absence Membership

This membership is available to members who need an extended leave of absence. Leave of Absence Membership is a minimum of one year. To qualify, the member's account (both dues and charges) must be current and the member is required to pay one month of dues each January to retain Club membership. For more information on inactive status, please contact TPC Member Services Department. Inactive members may only use the Club as a guest of a regular member and must pay the appropriate guest fee. When reactivating account, members are subject to payment of all Capital Debt Assessments accrued, as well as a reactivation fee of 10% of the current initiation fee.

Membership Resignation

We require a thirty (30) day written notification in order to resign a membership. Email is an acceptable form of written notification, and where applicable, the primary and secondary parties on the account must verify authorization of resignation. If canceling Members paid a re-fundable assessment, they shall provide a current address for the Business Department to send their reimbursement check. Reimbursement checks are issued once a new Member is invited to join from the current waitlist.

Ownership of Membership

During the separation period of a marriage, each member of the family may still use the Club, but a guest fee must be paid if either the member or spouse brings a person outside his/her family. Use of the club is restricted to one time weekly if the guest is a Tiburon/Belvedere resident.

Upon dissolution of the marriage, spouses will have a period of one year to use the club under the same membership. At the end of that year, or if one of the spouses remarries, (whichever comes first) the membership must be transferred and retained by one spouse only. The membership services department must be notified as to which spouse will retain the ownership, in writing signed by each former spouse. If such notification is not received by the Club within a year of dissolution, the membership of the spouses will be terminated. The other spouse must apply for a new membership if he/she wishes to continue membership in the Club. Upon application, the non-member spouse will be moved to the front of the waiting list and admitted to full membership when space allows. The non-member spouse will be required to pay the prevailing initiation fee. Failure of the spouses to notify the Club of dissolution of their marriage is grounds for membership discipline according to existing Club by-laws and house rules.

Children of Members

Children of members over the age of 25 are no longer entitled to the benefits of their parent's Membership. They may use the Club if they are accompanied by a Member parent or other member and pay the daily guest fee.

House Guests and Renters

Out of town house guests who wish to use the Club must be registered in the Business Office. If you have guests are staying longer than 30 days, the sponsoring member will need to submit a request. Please contact the Member Services department for information on club privileges for your guests. Maximum houseguest privileges are 30 days.

Members who rent out their homes, or have house sitters, and would like to extend the Club usage to their renters/sitters, should notify the Member Services Department and complete the application form. An extended House Guest (longer than thirty days) must be requested in writing and charged to the sponsor membership account and must be approved by management. House Guest Fee is \$25 per week per adult 18 and over. Young adults 17 and under is \$15 per week per child.

Au Pairs, Nannies & Exchange Students

An Au Pair, nanny or live-in babysitter of a member's family may use the Club free of charge when accompanying any family member. If they wish to swim, use the fitness center or play tennis without a member, they must sign in and pay the daily guest fee. They may not have guests of their own. An Exchange Student, while living with a member family, is considered a part of the family and has the same privileges as a member.

Any additions, changes or revisions to the membership must be requested in writing. Email can serve as the necessary written notification. Please contact the Business Office to make any such changes to your membership account.
